

Community Engagement

Elm Rise, Findon Village

We would like to share with you our proposal for creating 16 new homes and improvements to the landscape, including a wildflower area, wild grassland, bench seating area, public open space, public footpath and a bark pond play area.

We would like you to attend our community engagement event...

We want to:

- 1 Listen to you
- 2 Engage with you
- 3 Learn from you

You are invited to come and meet us at Findon Village Hall on Saturday 8th July between 10:00am and 1:00pm.

Our Proposals

Elm Rise, Findon Village

Our aspiration for these new homes is to reflect the **local character**, with an **identity that is its own**, whilst acknowledging its context.

2 Detached Houses

2 Detached Chalet Bungalows

2 Semi Detached Houses

6 Terraced Houses

4 Two Bedroom Flats

Net Zero energy homes

Fig 1. This image is of a similar scheme in Washington.
