

**Agenda Item 24.70
a)**

Report to **Findon Parish Council**
Meeting Date **17 June 2024**
From **Cllr Whitby**
Title of Report **Update on Open Spaces Working Group**
Purpose of Report **To note**

1. Updates for noting

1.1 Working Party. Report from Robin Carr.

Below is my report covering the last few weeks:-

With the massive growth of vegetation generally, the Working Party has been busy continuing with routine footpath clearance along the A24 and also the footpath leading from the Oval to Gallops Farm [this footpath was so heavily overgrown that it had become virtually impassable]. Also some road drain clearance has been undertaken in the Village helping to reduce the risk of flooding.

There is a long list of jobs for the future. Currently, numbers have reduced [only on a temporary basis] due to holidays, physical unfitness [not through overdoing it when working with the Group!], other commitments etc. New recruits are always welcome.

2. Issues for discussion/ratification by full Council (if applicable)

2.1 None.
