

Agenda Item 24.68

Report to	Findon Parish Council
Meeting Date	17 June 2024
From	Fiona MacLeod, Clerk
Title of Report	Clerk report
Purpose of Report	For information/consideration

1. For information/action

- 1.1 The insurance renewal paperwork has been received for the greens mower commencing 27 June 2024. The 2024 premium is £313.61 including IPT and all fees. As the 2023 premium was £240.49 including IPT, I have asked for an explanation for the increase.
- 1.2 The Bohunt School Worthing will be doing their sponsored walk for charity on Friday 21 June 2024 and they have done this walk for a number of years. The walk will be following the same route (as circulated) and the School has been in touch with Adur-Worthing Council, the National Trust and the two golf clubs on the route and has also let the local police know. As before, the route is all on public rights of way and students will be positioned at key points to direct the walk and teachers will be walking with students. The walk will be done in staggered groups.
- 1.3 There are new dates for community engagement on the South Downs Local Plan Review Consultation as a result of the announcement of the general election. The new dates will be from 8 July to 16 September 2024, with the consultation period being extended by two weeks to account for the summer holiday period. The summer engagement is part of an 'early participation stage' which although it is not a statutory step in the existing planning system, it is something being introduced into the new planning system. The publication of the Land Availability Assessment has also been delayed.

2. Issues for consideration/ratification by full Council

- 2.1 Councillors are asked to approve the renewal of the greens mower insurance as per para 1.1 of the report.
