

Section 3 - External Auditor Report and Certificate 2023/24

In respect of

Findon Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

A review of the Council's website, the Finance section and using the search function, has identified that the Council does not appear to have fully met the requirement of the Accounts and Audit Regulations 2015, Regulation 13 (1) which states that the final audited Annual Governance and Accountability Return should, on conclusion of the audit, be available for public access, which includes publication on the Council's website. The Council amended Section 2 of their 2022/23 return year during the 2022/23 review process however only the original version of the return is visible on the Council's website. In addition, it appears that the 2023 notice of conclusion has not been published as is required by regulation 16 of the Accounts and Audit Regulations 2015. The Council should bring these points into line with the regulations as soon as practically possible.

Other matters not affecting our opinion which we draw to the attention of the authority:

Boxes 1-6 of Section 2 of the AGAR do not arithmetically add down to Box 7 by £1 when summed. When rounding the numbers for the Return care should be taken to ensure boxes 1-6 sum to box 7 in accordance with Paragraph 2.19 of JPAG Practitioners' Guide 2023 and that box 7 agrees or reconciles to box 8 as is required per Paragraph 2.23 of JPAG Practitioners' Guide 2023.

Upon review, general reserves appear to be held at a low level. The Council should keep this under review and ensure that they have sufficient general reserves to cover expenditure. Per Paragraph 5.33 of JPAG Practitioners' Guide, best practice suggests this should generally be at least 3 months expenditure as a minimum. These cannot include ring fenced funds and should avoid, including funds which are designated for another purpose.

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The Parish Council should in future ensure that all the necessary supporting information is provided with their annual submission.

The internal auditor has provided a 'Yes' response at control objectives L and N on their report. This suggests that the Council correctly published all relevant documents on its website. As the Council currently has not published the audited 2022-23 return following amendments made during the 2022-23 limited assurance review, the answer to these points should have been 'No'.
