

**Agenda Item 25.71
d**

Report to	Findon Parish Council
Meeting Date	23 June 2025
From	The Clerk on behalf of Cllr Smith
Title of Report	Village Hall car park
Purpose of Report	To note or consider/ratify

1. Updates for noting/background

- 1.1 Councillors will recall that the balance of £14,616.00 of Public Works Loan funding for the Village Hall extension was agreed to be ringfenced at the FPC meeting on 29 July 2024 pending clarity of the future works in the Village Hall car park.
- 1.2 The Chairman of the Village Hall Trust (VHT) has now received two quotations regarding the Village Hall car park resurfacing. One quotation was noticeable higher and the VHT Chairman had no previous experience of the contractor.
- 1.3 The preferred contractor had already completed another resurfacing project in the village with good results.
- 1.4 A copy of the proposed works and costs has been circulated to councillors – option 2 has been recommended as the way forward at a cost of £15850.00 excluding VAT to resurface the entire area.
- 1.5 The VHT Chairman has asked if FPC would consider a grant to fund the shortfall.

2. Issues for discussion/ratification by full Council

- 2.1 Does FPC wish to proceed on the basis of the preferred contractor at a cost of £15850.00 excl VAT re Option 2 of the quote?
- 2.2 Does FPC wish to consider a grant to fund the shortfall?
