Lisa Kenna apologies

Three topics for discussion

**1**

Position with Pre-School update on decision of FPC following the received quotes to undertake and underwrite the cost of renovation of the building with an expectation of ten year life for those works. Restated by the school that perhaps 3-% of their annual intake comes from the Pre-School and obviously of interest. Made the suggestion that it might make sense for St John The Baptist to have a member on the Pre-School meetings for coordination. To be considered.

**2**

Update given on the swimming pool it is planned to open last week in June following Arun inspection. Request from Pool that Open Spaces inspect the fence at the rear of the pool to understand what repairs can be effected. Agreed that FPC will have a non-voting attendance on the Swimming Pool Cttee. Request ha been made for more supervisor volunteers and member ( particularly Chair and Finance ) on the Cttee.

**3**

Parking report from the last FPC Meeting circulated and discussed. In particular the potential use of The Village Hall car park and access. The school have just sought a quote to extend the path to that gate. The goal is to consider the proposal over the next 2 weeks and come back with a response and justification.
