From the Rectory

Echoes of 1976 – for those, like me, old enough to remember that drought – as our lawns grow brown and threadbare like a worn out carpet! Unlike a carpet of course, as soon as we get a significant rainfall, the grass will revert to green once more. Much as we all moan about the ‘traditional’ English summer (wet and windy, with the occasional warm sunny day) this year has been so hot! We will see if, as so often, the weather turns as the schools break up...

Sometimes it can feel as if our faith is a bit like that brown lawn, especially at times like these current ones, with so much financial pressure on families. For Christians, prayer is our lifeline to God, and as we turn to him in prayer or contemplation in moments of stress or worry, there is a sense of release and unburdening, feeling rather like a gentle shower of rain on parched earth. If you are feeling overwhelmed at any time, remember our churches are open every day and provide an oasis of cool from the heat of the sun and a quiet space to rest in. I am always available to listen and support you and can be reached via the Office here through phone or email if you need someone to talk to.

Thankfully, the Findon School Pool opened in time for all children to be

able to use it before the end of term; many thanks to those who have worked so hard over this year to get it fit for purpose again, especially to Mick Dicker for the many hours he has devoted to the work on the pool. Now all that is needed is more volunteers to enable the pool to be run through the holidays. Bookings online!

As I write this, the pupils of both our schools are preparing to break up in the next few days. We wish them all a safe and happy summer break as we give thanks for the dedication and hard work of all school staff over this academic year – make sure you all get a good rest! My thoughts and prayers are with all young people as they await the results of public examinations. Remember you all did your best and whatever your results are, there is a new path for you to follow in your education and life ahead. The most important thing is to be happy and contented in who you are!

Have a wonderful summer, whether you are travelling or staying locally, and stay safe.

Every blessing, Helena

The Fabulous Findon Ladies Charity Day

Another year, another successful charity day for the Fabulous Findon Ladies!

Organised by founders Katie & Maxine, the event was hosted by Findon Manor on a very hot Sunday, 13th July. The Fabulous Ladies of Findon gathered in force to put on another fantastic charity day - raising money for our village.

This year featured seven stalls by local small businesses, games and activities for the children, the tippie tombola, raffle, and even a dog show! Unfortunately, the weather was a little too hot for a lot of dogs, but still popular!

Findon Manor provided a BBQ and G&T tent for all our visitors to enjoy in its wonderful garden on what was a beautiful summers day.

The total raised for the Village was amazing, to be shared among our chosen charities/funds. £1000 has been donated to the Village Hall Trust for their ongoing maintenance and repairs and the rest has been split between the Swimming Pool Fund, Findon Relief in Sickness and the Wildflower Fund. And also, our personal fund for the Elf trail, which we are taking over this year.

November this year marks our two-year anniversary, and in that time we have supported every business which will have us, by visiting their establishments at quieter mid-week times. Already this year we have had a quiz, a curry, a lovely meal at Sylvan Oak and a skittles evening at the Black Horse. And we still have an afternoon tea at Cissbury Barns, a murder mystery evening at Findon Manor and a few Christmas events too!

The Fabulous Findon Ladies is open to any ladies who live in the village - we have a fantastic group of over 100 ladies, ranging from 23 years old to 80 years old! If you're interested in joining, we now have an app! You can either scan the QR code below or download the app - BuddyDo (it's free!) and search for FFLC...or if you're not confident with technology just ask any lady in the village, there's a strong chance they are in the group already!

Findon Sheep Fair – 13th September

With now only six weeks to go until this year's Sheep Fair, most of the plans are in place. All stalls have now been taken, both in the Marquee and outside. Entries for the Sheep Judging Competition are coming in and we expect a good attendance of farms again this year.

With the show potentially attracting up to 10,000 visitors over the weekend, the need for volunteers is more critical than ever. If you haven't already expressed an interest in helping over the weekend, even if it's just for an hour or so, please let us know at volunteers@findonsheepfair.org.uk. Then come along to the Village Hall on Wed 13th August at 7-30pm for the volunteers meeting.

As well as the volunteers, we rely very much on the generosity of local sponsors. One way of supporting us is to sponsor a section in the sheep judging competition. This year we have a couple of gaps to fill. Basically, for a £50 sponsorship, you can present the trophy to the winner of the section sponsored which will be photographed and a copy sent as a memory of the event. If you are representing a business or organisation, we will provide publicity through the website, programme and over the PA system. If you are interested, please let us know at sponsorship@findonsheepfair.org.uk

Tree Group Update

Matthew Ward - Findon Tree Warden

Watering Young Trees

First a plea to water any newly planted trees, it's been a tough year for saplings in the hot and dry conditions. Around 100 were distributed from our nursery to private individuals in the village and hopefully they are being cared for in their first year.

Community Orchard

We have been regularly watering the young fruit trees in the new community orchard, and, after a slow start the grass seed has germinated and formed a lush sward under the trees. **On Saturday 6th September we are planning to have an open afternoon between 2 and 5pm.** Come along to celebrate this new village amenity and hear about plans for its continuing development. You'll find us behind the village hall, follow the track to

the right of the car park past the preschool building. You can also view our tree nursery and maybe select one for planting later in the year.

Pond Green Sycamore

Earlier in the year a large limb was removed from a Sycamore on Pond Green, it had a large crack between the main trunk and a side branch. This was done for safety reasons as the limb would have fallen on the car park if it had split. We are now left with a rather lopsided tree which still has health issues. Connick tree specialists are carrying out a survey of it and will be reporting back soon. It could be that they will condemn the tree and it will have to be felled. This would actually create an opportunity to plant a sizable, more ornamental replacement in this prominent position in the village.

Findon Parish Council

Across Findon there are multiple bodies that make charitable donations to institutions or causes within the village and a recent suggestion made was to consider how better these can be coordinated to help create maximum benefit across the village. Clearly each body decides where their donation should go but that decision could perhaps be better enabled if we cooperated to share these donations enabling better informed choice. It would also have the benefit of greater transparency if these were both a historical record, let's say the last three years and available to the public. FPC can enable that approach via its website and will be looking to create such a facility in the near future.

The large sycamore tree on Pond Green had significant visible damage to one of its boughs that warranted its removal recently and on further inspection the tree trunk looked to have split. As a result, FPC and our Tree Warden Matthew Ward commissioned Connick Tree Care specialists to undertake a full survey and report on the condition of the tree. Unfortunately, the report has now confirmed that the tree is no longer stable and therefore represents a risk, with a recommendation that the tree is felled within the next three months. As part of the process FPC will advise South Downs National Park Authority (SDNPA) of this finding and then proceed with removal after submitting a formal application for the work. Sadly,

Cllr Sean Smith

this will leave quite an impression on Pond Green. In an attempt to ameliorate this, FPC is exploring the option of planting a partially grown replacement adjacent to the existing tree.

It is excellent news to see Findon Swimming Pool open again after significant donations from different groups across the village and hard work to pass relevant audits. Please visit their website to see opening times and to look at the excellent private hire options available. As always volunteers to support the pool, particularly those who can spare time to supervise the sessions (following the appropriate life-saving training provided) are always welcome. Speaking from years of experience, it is particularly gratifying to see the kids enjoying themselves and to recognise that this village asset contributes to saving lives.

Findonswimmingpool.co.uk

Nepcote Green Pond continues to develop and following the recent marine survey now hosts frogs and ducklings as well as copious butterflies, dragonflies and other insects. There have been further attempts to remove the duckweed to allow other pond plants to flourish which should over time reduce the coverage

Village Shop News

Well, I've got a treat in store for you this month. Especially if you're an Archers fan. I might be exaggerating a little bit – this treat is actually about two months out of date; I've only just become aware of it, but it was actually released in June, so you might have heard it already. I'm talking, of course, about the Archers podcast. Episode 35 is all about the community-run shop. There are loads of cross-overs between the Ambridge shop (where the Archers live) and ours: the Plunkett Foundation have worked with both (and incidentally, ours, not Ambridge, is now one of its showcase examples); both are run by volunteers for the benefit of the community; both have a PO counter; and, probably most significantly, both are at the heart of their respective communities.

Of course, one thing Ambridge doesn't have is a monthly column in a local magazine – in fact, I don't even think Ambridge has a magazine. They need to come to Findon to see what we do. Neither does the Ambridge shop boast a volunteer WhatsApp group. We have recently started one and it is proving to be a very effective way to communicate. Thank you everyone who has joined the group.

Curiously, both Ambridge and Findon have surveyed customers recently to ensure that they are providing what their communities want. I wondered who copied who? Thank you to everyone who completed ours. The results were overwhelmingly positive, which is always reassuring, and thank you for all the suggestions that you made. Unfortunately, floor space

Jean Burden

prevents us from stocking more freezer food or special offers; the PO stays open long hours to support the shop volunteers and to maximise benefit to our community; and we already offer a delivery service – please speak to Angus if you're interested.

Well, Angus was certainly right when he predicted good weather last month. Customers and visitors alike appreciate the water station outside our shop, and our ice creams, soft drinks, wines and beers have been very popular. We have recently received a delivery of interesting-looking cocktail mixers and non-alcoholic cordials to tempt you ...

If you are planning a holiday, we stock euros, and can order other currencies for the following day (just show your ID), although why anyone would want to go abroad when it is so hot here beats me.

When you go into the shop, it's easy to miss the crackers, eggs, teas and coffees behind the door, so take a look next time you visit. And do go through to the back, where we stock all sorts of delights: a wonderful selection of greetings cards for every occasion, and an all-singing, all-dancing hot drinks machine that serves cappuccino, flat white, mocha, americano, hot chocolate, and – wait for it - water (I thought I'd save the best 'til last). We also stock newspapers, store cupboard foods, stationery, household essentials and first aid/health products. As I say, we pack a lot into a small space!

Our July meeting took place on Thursday 10th July when we basked in the sunshine and very appropriately heard a talk about the seaside. A welcome return visit from Sheila Willis who gave a very interesting presentation on the history of the seaside resort; how they sprang up across the country and what visitors were able to enjoy through the decades. Fortune telling, penny arcades, saucy postcards, Punch and Judy, candy floss, sticks of rock and donkey rides to name a few. It was accompanied by songs and music which brought back some wonderful childhood memories for our ladies.

August will be our summer celebration, when we will enjoy a glass of Pimms, fruit cocktails and some 'silliness'. The

dress code will be 'summertime'. The competition will be a summer flower from your garden.

We will be off for a game of Croquet on the 12th August, no flamingos I promise!

Our new book group, the 2nd Edition had its first meeting on 16th July. The first book is Piranesi by Susanna Clarke.

Keith Cyril Langridge 1940-2025 (Former resident of Findon Village)

Carolyn Morris

Our dear Uncle Keith sadly passed away peacefully at Worthing Hospital on 2nd July 2025.

Keith, his family and several generations from the past were former residents of Findon Village.

Keith's early days were spent in Elm Cottage (Elm Court flats possibly now?) with his siblings Jean (my mum), Barbara and David. He was the youngest of the four children, though their mother Alfreda May, sadly died when Keith was just 2 years old. Their father Cyril Henry Langridge, was a Saddler and Harness maker in the village, together with running the Ironmongers.

The family moved into Pony Farm and Cyril assisted with the renovation of the cottages nearby.

During World War II, Cyril was also a fireman.

In later years, they moved into the bungalow in Nepcote Lane and took over the Greengrocers business (from Arthur Brown), additionally growing and selling flowers as a Market Gardener. Keith assisted his dad in the

Greengrocers business and delivered the orders. Later, Keith was a delivery man for a Bakers too.

Keith also enjoyed performing amateur dramatics at the Village Hall.

Several generations of the family lived in Findon, running the original Black Horse Inn in the 18th century and Keith's Aunt Connie (Packham) ran the Village House Hotel.

Cyril retired from running the Greengrocers and with Keith and Mabel (Keith's stepmother) went on a 6-month trip to New Zealand to visit his brother David and family, who had emigrated there.

Keith and his parents later moved to the Bridport area, where Keith ran a sweet shop and they finally moved back to High Salvington. During Keith's twilight years, he lived in West Worthing, but his heart and fondest memories were forever in the beautiful Findon Village.

Keith's funeral will take place in Worthing Crematorium on Wednesday 6th August @ 2.30pm (Muntham Chapel).

We love receiving memories of Findon past and present.

Do you have a story to tell?

If so, just drop us an email at findonvillagenews@gmail.com

or drop it in the box in the Village Store

Yoga therapy uses a range of 'tools',
such as movement, breathwork,
relaxation, sound and meditation to
bring about physical, mental and
emotional well-being.

Yoga therapy is appropriate for a wide
range of ages and lifestyles as well as
those looking for a healthier way of life.

Findon Planning Applications

Planning applications for Findon are under the authority of South Downs National Park and listed on the SDNPA website (www.southdowns.gov.uk).

Findon Parish Council (FPC) Planning Committee meetings are scheduled monthly to consult on planning applications received from the South Downs National Park Authority (SDNPA). Parish Consultation Letters (PCL) received from the SDNPA are displayed on the Notice Boards outside the newsagents and the Village Hall, and published on the FPC website (<http://findonparishcouncil.gov.uk>) along with the schedule of Committee meeting dates.

Please note that due to Findon News publication deadlines, some applications may have already been placed before the Committee. Residents should check the Notice Boards and FPC website regularly to view notices and meeting details.

Any enquiries should be address to the FPC Clerk - 01903 877225.

Since the last issue of Findon News, the following Planning Applications have been posted on the SDNPA website:

Paws Animal Sanctuary

We are looking after a tortoise belonging to an elderly lady who has been injured in a car accident. The tortoise is eighty years old. If he is picked up and put out in the garden, he will follow the volunteers, who have been filming him because they have never seen a tortoise run so fast! He loves bananas and is such a character.

The weeds, shrubs and stinging nettles have taken over here at the Sanctuary. We are needing some Volunteer Gardeners please. Would any energetic humans would like to come and help? (Tea, coffee and biscuits provided.)

We have two cats needing special homes. Garfield, a beautiful, 4 year-old ginger cat, is very friendly. He needs a safe garden. He was abandoned by his owners, who moved away three months ago leaving him and his brother behind, being fed by the neighbours. Sadly, his brother was recently killed by a car, while crossing the road. We also have Minnie, a white and grey 5 year-old cat, who must have a garden and is not fond of children or other cats.

A cat was recently given to us by Grove Lodge Vets, after having treatment for an

injured tail. He also had to be neutered and treated for fleas and worms. David from Billy Bears Rescue came in and microchipped him. He was accidentally let out just after he arrived and then disappeared. With posters up around the village, we had lots of sightings but no one could catch him. Then we had a call, telling us that he has been joining a couple of stable cats every night for an evening meal. Afterwards he would then climb up out of reach on the hay bales to sleep. He has a happy ending though! He now has been lucky enough to be offered a permanent home with the other two stable yard cats. Grateful thanks from Paws.

Stacey.
