## 1. WSCC Highways Commitment 2025/26

- WSCC Highways will undertake
- WSCC Highways will not undertake

## 2. WSCC Community Winter Plans 2025/26

2.1 What information should be in a Winter Resilience Plan

2.2 Plan - Salt/Grit Replenishment

- Bins
- Bags

2.3 Local Farmers and Contractors agreements

- Pre-arranged financial contribution
- Trigger Mechanism activating farmers/contractors

## 1. WSCC Highways Commitment 2025/26

### ➤ **WSCC Highways undertakes to do the following:**

- Monitor the daily forecast provided by our weather forecast provider between October and April and take appropriate actions. Issue a Daily Decision to all interested parties via **@WSHighways**. [sign up here](#)
- Treat the Winter Service Network – 42% of the county's 4,400km road network.
- Purchase and store at our five depots at least 10,000 tonnes of de-icing road salt during the summer months when prices are advantageous.
- Liaise with the Government's "Salt Cell" and actively participate in Mutual aid with adjacent Highway Authorities.
- Maintain a fleet of 20 gritters (bulk spreaders) between October and April.
- Issue a **pre-snow trigger email** in the event of a significant weather event to advise communities when to activate the Local Farmer and Contractor Agreement for WSCC funded activities.

### ➤ **WSCC Highways does not undertake any of the following:**

- Treating roads not identified as part of the Winter Service Network.
- Hand treating of footways / cycleways / precincts as a precautionary exercise.
- Treating private, 3rd party or non-highway land.
- Refilling salt bins or replacing Hippo Bags during the winter period free of charge.
- Delivering salt bins or hippo bags once the winter season has started free of charge.
- Funding farmers to clear roads that have not been identified in the agreed Local Winter Plan, or when clearance has been undertaken without consent to activate from WSCC.

## 2. Community Winter Resilience Plans 2025/26

WSCC receive Community Winter Plans from more than half of the Parish and Town Councils in West Sussex. These plans help to coordinate activities, identify local assets, and inform residents during periods of extreme weather.

This year WSCC will be working with Parish and Town Councils to develop and update their plans. Winter Plans should be reviewed annually and submitted to WSCC via Email to: [Parish-Town.Enquiries@westsussex.gov.uk](mailto:Parish-Town.Enquiries@westsussex.gov.uk)

It is important that key information is kept up to date including:

- Changes in contact details of nominated persons
- Changes to gritting and snow clearing routes identified in the plans
- Locations of any new or relocated salt bins/bags
- Confirmation that the local Farmer / Contractor is participating
- Approval for the Local Farmers and Contractors Agreement from WSCC Highways

**Please Note:** Parish and Town Councils without the correct information in their plan will **NOT** be able to make claims for a financial contribution from WSCC towards the cost of additional work.

## 2.1 What information should be in a Winter Resilience Plan?

The check list below provides a guide for Community Winter Resilience Plans from the most basic to a full plan.

Standard	Information to include:	Check List
	A plan showing West Sussex County Council Winter Service Network and Winter Resilient Network Salting Routes	<input type="checkbox"/>
	Advice for local residents on how to keep safe during winter	<input type="checkbox"/>
	The WSCC contact centre details – to report fallen trees or damage to the public highway	<input type="checkbox"/>
	Details of the location of grit bins (which should be audited annually)	<input type="checkbox"/>
	A list of key holders if grit bins are usually locked	<input type="checkbox"/>
	Guidance for local residents when spreading salt i.e. amount to use, wear sensible clothing and staying safe. This could include a copy of the Snow Code.	<input type="checkbox"/>
	Details of the location of local grit stores	<input type="checkbox"/>
	A plan showing locations of equipment available for local use i.e. snow shovels, push along mini gritter/spreader, Hazard warning signs	<input type="checkbox"/>
	A list of snow volunteers in the parish and an identified volunteer task leader	<input type="checkbox"/>
	A Telephone tree for disseminating information to residents	<input type="checkbox"/>
	A risk assessment for volunteer activities	<input type="checkbox"/>
	A blank Activity Log for volunteers to complete when clearance has taken place	<input type="checkbox"/>
	A plan showing areas for targeted support such as shops, doctors surgeries, school routes, nursing homes etc. or steep hills, wooded and shaded, frost pocket, water seepage etc.	<input type="checkbox"/>
	A list of 4 x 4 owners who are willing to help	<input type="checkbox"/>
	A list of Farmers/ Contractors with snow ploughs or other equipment who are willing to help	<input type="checkbox"/>
	Details of an emergency reception centre	<input type="checkbox"/>
	Information on how residents can sign up to British Red Cross app - <a href="http://www.redcross.org.uk/What-we-do/Emergency">http://www.redcross.org.uk/What-we-do/Emergency</a> <a href="#">Free emergency apps   British Red Cross</a>	<input type="checkbox"/>
	Contact details of any local volunteer group supporting vulnerable residents e.g Good Neighbourhood or Locality Care	<input type="checkbox"/>
	Emergency contact details of local utility suppliers i.e. power cuts or burst water pipes	<input type="checkbox"/>
	Details of Winter warmth and flu campaigns	<input type="checkbox"/>

For Parishes with a Farmer / Contractor wishing to claim a financial contribution from WSCC towards the cost of work, that may be undertaken in the upcoming winter season, ***the following MUST be provided by Friday 24<sup>th</sup> October 2025***

Standard	Information to include:	Check List
Local Farmers / Contractors Agreement	A plan showing the roads that Farmer / Contractor will be covering which is agreed by the local Area Highway Manager	<input type="checkbox"/>
	Farmer / Contractor details and contact information	<input type="checkbox"/>
	Email addresses for 2 key contacts that will receive the winter trigger information – one of whom should be the Farmer/Contractor.	<input type="checkbox"/>
	A valid Public Liability Insurance (PLI) document for the Farmer / Contractor	<input type="checkbox"/>
WSCC Agreement with the local Farmer / Contractor based on the information in your plan.		

## 2.2 Salt/Grit Replenishment

### ➤ Bins

- **Using salt/grit stored locally:** Parish & Town Councils who have local stores of Salt/Grit should use this to top up bins before requesting further salt/grit from WSCC.
- Once Parish and Town Councils have topped up their bins WSCC Highways will replenish local stores and refill bins where they are less than 75% full as identified through the local audits. Please note that the Salt Audit period for this year ends on **Friday 1<sup>st</sup> August 2025**.
- WSCC will **NOT** refill bins during the winter period.
- Parishes are expected to fill salt bins as required during the winter with salt from the bulk bags stored locally.

### ➤ Bulk bags of Salt /Grit mix

- **Storage:** To keep the salt/grit at its best, bags should be stored on pallets, preferably indoors or in a covered location. Parishes may wish to purchase secure weatherproof storage containers to keep their supplies in good condition.
- **Existing Stores:** Where the bags are beginning to deteriorate, replacement bags are available on request; Councils will need to decant their existing supplies into the new bags. Tarpaulins to cover stores are also available on request.

## 2.3 Local Farmers and Contractors Agreements

### ➤ Pre-arranged financial contribution

In line with national standards, agreed with the NFU, WSCC will provide £35 per hr towards local farmers / contractors to:

- Carry out precautionary salting to local roads identified in the Local Farmers and Contractors Agreement as a result of a WSCC notification in advance of a significant snow event.

- Clear snow as a result of a significant snow event, from local roads identified in the Local Farmers and Contractors Agreement and whose activities have been activated through the agreed Trigger Mechanism
- WSCC will not pay for clearance of roads not identified in the relevant Winter Resilience Plan.

**Please Note: In order to claim funding, farmers/contractors must be covered by their own Public Liability Insurance at the date that they carry out the work.**

All local Farmers and Contractors Agreements should be submitted by **Friday 24<sup>th</sup> October 2025** and must be approved by WSCC Highways otherwise they will not be funded.

**If you have an existing arrangement in place, you should check that your local farmer or contractor is still happy to support your winter plan for 2025/26.**

### ➤ **Trigger Mechanism activating farmers/contractors**

The 'Local Farmers and Contractors Agreement' is intended as a response to significant weather events **ONLY**. This may be directed to particular areas within the county warning of a significant weather event.

Should an event occur, the trigger mechanism to activate the agreement will be sent via an advisory email to the key contacts identified in your plan. Your key contacts should ensure that they check the daily decision emails. The email from WSCC Highways will approve the use of farmers or contractors for:

- **Precautionary Salting:** farmers and/or local contractors to move bulk bags, undertake precautionary salting. **And /or**
- **Snow Clearance:** farmers and/or local contractors to carry out snow clearance 2" (50mm) of accumulated snow.

WSCC have no objections to local councils/community groups using the salt provided at their discretion and cost **HOWEVER, activities undertaken without instruction from WSCC will not be funded.**
