

Agenda Item 25.138

Report to	Findon Parish Council
Meeting Date	1 December 2025
From	Fiona MacLeod, Clerk
Title of Report	Village Defibrillator Maintenance
Purpose of Report	Annual Servicing Proposals

1. Background

- 1.1 As agreed at the last FPC meeting, I have contacted Simon Whitchurch to establish if he could carry out annual servicing. Simon does not have the specialist test equipment or the necessary qualification, however he has pointed me in the direction of Defib4Life that carry out annual servicing including checks and cleaning the cabinets.
- 1.2 I have received a quote from Defib4Life that to service 4/5 outdoor defibrillator cabinets on an annual basis the cost would be £50 + VAT per cabinet. This seems to be a reasonable cost.
www.defib4life.co.uk

2. For discussion/ratification by full Council

- 2.1 Does FPC wish to progress an annual servicing agreement with Defib4Life as per para 1.2 of the report ?
