From the Rectory

Another Church year has passed and in a few weeks we will once again remember the humble birth of a baby in an obscure location more than 2000 years ago, a baby who would grow up to change the world in his short life, a life which is the foundation of our Christian faith. Prophets had foretold of the coming of a Saviour over many centuries – you can read about this across the Old Testament – but when Jesus was born, the first people to hear about it were shepherds on a hillside. Jesus Christ, Emmanuel (God with us) slipped into the world just like you and me, a world under foreign occupation and oppression as are parts of our world today, his birth announced by angels (God's messengers) to a few very ordinary people, born not in a palace, but in an animal shelter, because all the inns were full.

Almighty God became human as Jesus, yet also as God's Son, fully divine, come to teach humanity to love and respect one another instead of abusing power and perpetuating hatred, but sadly most people failed to listen then and still don't listen today. Jesus grew up to bring God's healing and forgiveness to all who turn to him in faith, and through his death and resurrection revealing the path to eternal life.

So, as you prepare to celebrate Christmas, in whatever way you are accustomed to, remember that it is the birth of Jesus, Son of the Living God,

that we celebrate, not all the commercial trappings that seem to grow earlier and larger, more expensive, every year. The gifts we give and receive are (or should be) a token of the love and respect we have for one another, but the greatest gift of all came all those years ago, laid in a manger because there was no room in the inn. The last verse of the carol 'In the bleak midwinter' asks and answers the perennial seasonal problem – *What can I give him....?* All that Jesus asks of you and of me, this and every Christmas, is to 'give our heart'. This costs nothing financially, but can feel costly as we seek to become less self-centred and more focussed on Jesus, following his example and teaching.

This is the last time I will write *From the Rectory*, as I retire at the beginning of January. My body tells me it is time, but my heart longs to continue as your Vicar. The 13+ years I have served here in the Parish of Findon, Clapham and Patching have been a joy and I feel truly blessed to have been called here. I will continue to hold you all in my prayers this Christmastide and on into the new year, I thank you for making me and my family so welcome, for your friendship and all the support and encouragement you have given me in my time as the Parish Priest and wish you a happy Christmas, a peaceful and fulfilling new year and every blessing for the future.

With love in Christ, *Helena*

Village Shop News

December 2025

Let me tell you my Christmas list – all, of course, found in Findon Store! Number One has to be the delicious looking amaretti almond biscuits from Tuscany – an absolute melt-in-the-mouth delight! They're closely followed by the flavoured panettones that are so beautifully wrapped, they look too good to eat! But I can assure you, they aren't! I know – I had one last year. The Italians certainly know how to put scrummy flavours together that ooze deliciousness! Then there's stollen, festive tins of biscuits and Cornish gingerbread. Whilst for tea, there's Sherry Trifle preserve or Festive Plum chutney.

To wash them down, I am spoilt for choice. There's a Christmas Globe filled with spiced orange and cranberry gin liqueur, which becomes a light-up globe when it's empty. If I was in a beer mood (unlikely, but it might happen) I could choose between Bad Elf Ale or – wait for it – Lump of Coal Stout! I'm sure the latter will be very popular! Or there's (very) alcoholic gummies.

In the cracker line, we have Cluedo (but they're selling fast – you'd better be quick), Connect 4, and a variety of other filled or non-filled ones. And, of course, we sell a wide selection of cards and everything else you would expect from your Village Store.

Now let me tell you some things that are not on my Christmas list, but will definitely be very popular with the younger members of our community. We have Lindt reindeer chocolates, iced Father Christmas or festive gonk biscuits, and, of course, the ubiquitous candy canes and sugar mice.

Do ask if there's something specific you'd like but can't see – we are always receptive to customers' needs, and will get it in if we can. We are also able to deliver, subject to a minimum spend of £10, if the weather is inclement, or you are unable to get out. If you would like one of the popular chocolate logs made by Mr B, please reserve it by 20th December, or, if you want to order bread for Christmas Eve, please tell us by 23rd. It gets very busy!

Last posting dates are Wednesday 17th for 2nd class and Saturday 20th for 1st class. There are slight variations for Tracked, but that's broadly it. The last Guaranteed Special Delivery is Tuesday 23rd.

And now for, not the Shipping forecast, but the Store Opening hours:

Christmas Eve: 07.00-16.00

Christmas Day: Closed

Boxing Day: 07.00-12.30

Saturday 27th: 07.00-19.00

Sunday 28th: 07.00-12.30

New Year's Eve: 07.00-16.00

New Year's Day: 07.00-12.30

Finally, the Management Committee and Post Office staff would like to wish all our wonderful volunteers and customers a very happy, healthy and peaceful Christmas and New Year.

Oh, I almost forgot, just to say that not everything is Christmas related. We still stock non-Christmas goodies, gift bags and the like – please ask if you cannot see what you want; we just can't display everything at this time of year.

Light Lunch

As I'm writing this we are shortly to hold our last Light Lunch of 2025 and we have been delighted at the support there has been to continue this monthly event at the village hall, both from our amazing team of volunteers, the Findon WI cooks and most importantly our diners, both regulars and newcomers who have joined us over the year.

We have served up over 450 meals during the year with 20 different soups and 40 different puddings being offered! The addition of teas and coffees at the end of the meal has been embraced and there is always a lovely atmosphere in the hall.

Light Lunch 2026 will be back in January and will continue to meet at Findon Village Hall on the last Tuesday of the month, except in August and December.

Could you help? We have a great team of volunteers who help to set up and serve the meals but we would welcome a couple more people who enjoy cooking soups or desserts to join the team of Light Lunch cooks and could offer to get involved 2 or 3 times during the year. Please contact Elaine on 07598144802 if you'd like to know more.

We look forward to seeing you in 2026.

Love in a Box - Shoebox Appeal 2025

At last, the shoeboxes have been collected from my home and will soon be on their way to children in Moldova where there will also be evacuees from Ukraine. The need is great. Thank you to everyone who has filled a box, or donated goodies to extra boxes, it will be much appreciated. The driver told me he had started his day yesterday driving from Plymouth through Devon towns finishing that night at Exeter. Eventually he arrived in Findon where we had a fabulous 83 boxes waiting for him. The photo you see is of him packing our boxes into the van and he estimated there was approximately 800 boxes in there altogether.

Why not get a head start and begin collecting goodies for next year now!

Findon's 'Chain Gang'

The Wednesday Open Spaces Volunteer group, affectionately known by some as "the Chain Gang", is celebrating 10 years of helping to keep our Village paths and open spaces looking clean and tidy.

It is testament to the dedication of the group, who volunteer for two hours every Wednesday, from 9am to 11am, that five of the original members, Robin Carr, Tony Brimyard, Tony Voice, Peter Kirk and Richard Pratt, still regularly volunteer each week.

The "leader" of our Group is Robin Carr who works tirelessly each week to plan the next week's work schedule. Robin's enthusiasm, dedication and commitment to the Group is outstanding. Each Wednesday, there are anywhere between 5 and 12 people out in all weather (unless it's raining heavily) helping to keep our Village paths and open spaces looking neat and tidy. We even help paint and maintain our Preschool and the bus shelters. And afterwards we recover with a nice cup of coffee and piece of cake!

The group is supported by Findon Parish Council and we are always looking for new members, so if you'd like to help, or find out more, please contact either Robin Carr on grdcarr@outlook.com or Nick Keating on nick.keating7@googlemail.com.

There is also a Saturday morning group for those who'd prefer

Saturdays to Wednesday. For more information about that group, please email john.wilson@findonparishcouncil.gov.uk

The photos show some of the group recently clearing the footpath along the A24 and also the group at The Findon Manor Hotel on 19th November celebrating the Groups 10th Anniversary where we were also joined by Pam Henty, wife of one of the founder members, Del Henty, who sadly passed away late last year.

Findon Parish Council

Attending the Remembrance Day Service at St John the Baptist Church brought to mind the opportunity to say a heartfelt thankyou to Rev Helena Buque our Vicar who is retiring at the end of the year. Helena has been a truly wonderful supporter of Findon over her years with us, in particular her willingness to support all of our community has been warmly respected. Helena will be missed, notwithstanding greeting her whilst dog walking through the village. We look forward to working with Rev Colin Cox in the future.

For those of us who attended the wreath laying and silence in the Churchyard there was a truly moving moment. A soft gust of wind during the silence led to the fall from surrounding trees of hundreds of leaves that tumbled in a slow-motion fashion upon us all, a genuinely poignant moment to remember the fallen. On a similar vein the wonderful poppy display on Pond Green as well as the post box cover both again deserve special mention, stunning examples of selfless contribution many thanks.

As we approach Christmas the hard work associated with the Christmas lights has already started, ahead of the grand switch on scheduled for early evening on December 7th. The group has recently attracted some new volunteers which will add security for the next years.

Good coordination of the felling of the split and dangerous Sycamore tree on Pond Green has assured that activities by both the Poppies Group and the Christmas Lights Group were not impacted. A thanks to the Trees Group for their continued oversight and constant communication by our Clerk.

Findon Parish Council (FPC) Traffic and Parking group would like to say thanks to all who contributed to the recent survey. The fantastic feedback and comments will be reviewed in December and feedback provided on the outcome. Subject to these responses a potential Traffic Regulation Order (TRO) may be lodged with West Sussex County Council (WSCC), as part of our goal to make Findon roads safer.

FPC continues to support those volunteer groups that make our village the terrific location that it is. As the end of year approaches we are delighted to support the Open Spaces Group, the Litter Pickers Group, the Wildflower Group and the Trees Group celebrate their end of year by way of individual events as a small thanks for all their efforts.

We should take the opportunity to mention another retirement, that of Robin Carr as leader of the Open Spaces Group. Over the years Robin has been a long serving member of FPC, as well as a spell as Chairman, and he will step down after, in his words, ten years of hard labour!

Our village owes Robin a real debt for the service he has given over the years and will continue to deliver as a continuing active member of our Open Spaces Group. Robin will be succeeded by Nick Keating as the new lead, expect lots of helpful advice Nick!

Testing emergency response - Exercise Dogwood in Findon

On a sunny autumn day, Findon village became the scene of a dramatic emergency simulation known as Exercise Dogwood - a carefully staged event designed to test the readiness and coordination of local emergency response teams.

The scenario - an unexploded bomb was discovered in the heart of the village, prompting the evacuation to Findon Village Hall of 20 residents, played by volunteers from the village. With no time to gather belongings, evacuees arrived with nothing, simulating the real-life urgency and unpredictability of such emergencies.

Each participant was given a detailed profile, outlining specific needs such as medical conditions, children's requirements and the need for clothing and blankets adding realism and urgency to the exercise.

Findon Village Hall Trustees opened the hall as a rest centre and did a great job of supporting the evacuees until other agencies arrived. The village hall proved to be an ideal location for a rest centre, offering excellent facilities including accessible toilets and well-equipped kitchens. Teas, coffees and light snacks were provided, by the Trustees, to attendees upon arrival.

Food requirements were carefully recorded to accommodate dietary needs such as diabetic, vegan and vegetarian preferences. This ensured that, should the situation require hot food to be ordered in, appropriate options could be sourced.

Contingency plans were in place for extended stays. If the duration had increased, staff were prepared to

assemble makeshift beds to ensure comfort and rest for those affected.

The operation was led by Arun District Council's Emergency Planning Officer, supported by a dedicated team from West Sussex County Council (WSCC), Arun District Council rest centre staff, Findon Village Hall trustees, and the British Red Cross. Together, they created a fully functioning rest centre, recording evacuee details, assessing needs, and providing essential support, both practical and emotional.

The Trustees ensured that the evacuees were provided with shelter and refreshments whilst they waited for the other agencies to arrive.

The Red Cross played a vital role, offering, wash bags, blankets, and emotional support, ensuring comfort and care for all involved.

Officers from WSCC Resilience and Emergency Team were able to offer the support of the counties Social Services and had transport on standby if required.

Arun District Council Officers swapped their normal day jobs to work as rest centre staff, providing compassionate support to the evacuees.

The volunteers from the village who did a great job of playing the part of evacuees made the whole thing feel realistic.

Throughout the exercise, the rest centre manager provided regular updates, including advising the bomb disposal squad had arrived at the scene and when evacuees could return home.

After approximately three hours, the all-clear was given and the evacuees were

“sent home,” marking the end of the exercise.

Michael Rowland, Emergency planning Officer said:

“This event was a culmination of work that has taken place between ADC and the Findon Village Hall Trustees to make sure they and the village hall was ready to be a rest centre should the need arise.

What made Exercise Dogwood truly successful was the commitment of everyone involved. The “actors”

portraying evacuees were fantastic, bringing authenticity and emotion to the scenario. For the emergency teams and the Trustees, it was an invaluable opportunity to test procedures, identify gaps, and strengthen collaboration across agencies.

Events like Dogwood are essential in ensuring that,

should a real emergency occur, our communities are prepared, protected, and supported. A huge thank you to all who participated and supported this valuable initiative.”

Findon Village WI

At the November meeting our ladies spent time making angels to adorn the Village Hall for the Christmas period. A great deal of gold paper covered the tables as we got to grips with the different sized angels and how to cut out the intricate details. Crafty Ladies will now be putting them together ready to go up for the first Christmas event.

Maggie Milward, our technical wizard gave us a tour of our website which is looking fabulous. The photo gallery charts all our activities over the last few years and brought back some lovely memories.

The Poppies have now come down, and we are preparing for the Christmas Tree Festival. Our theme this year is peace and kindness. We are adorning our tree with Izzy Dolls, inspired by Master Corporal Mark “Izzy” Isfold, a Canadian Military Engineer who lost his life while clearing landmines in Croatia. Mark carried dolls with him and distributed

them to children who had experience trauma and loss. Each doll has been individually made by our ladies, and at the end of the Tree Festival children will be invited to choose a doll to take home.

At our Christmas event we are going to dive into the world of Victorian etiquette. Our ladies will discover the Do's and Don'ts of courtship, calling cards, dinner party etiquette, and the mysterious language of the fan. It is going to be a fun, interactive evening of Victorian elegance led by David Allen.

Visitors are always welcome. Drop us a line or just turn up on the night.

Website –It has lots of news about our activities, sub-groups, and upcoming initiatives – Check it out.

Findon Friends

The Friends will again be supporting and participating in the Christmas Tree Festival which takes place this year on the weekend of 6th/7th December; we hope to see as many of you there as possible; please spread the word. Two years ago we welcomed some 1,000 visitors over the weekend. Our beautiful historic church will be transformed by twenty seven wonderfully decorated trees entered by local residents, organisations and businesses. Visitors will be able to vote for their favourite tree, with the winning tree receiving a £50 donation for a charity of their choice. Attractions include an 'instant raffle' and a children's chocolate tombola while, for those in need of a rest, the Friends will be providing refreshments in a welcoming café area of the church where one can enjoy home-made scones and cakes, chat

with friends and neighbours, and delight in the welcoming atmosphere of our church.

None of this would be possible without the participation of willing helpers and we thank everyone who has already signed up to help with our refreshments stall. However, if you are able to offer an hour or two on either the 6th or 7th December, we would love to add your name to the list. Please contact: ianhollyhomes52@gmail.com

FoSJBF is a charitable trust which supports the restoration, preservation, repair, maintenance and improvement of our Church. For more information about our Church and the role of The Friends, visit our website <https://www.fosjbf.org>

Rachel Louisa May

Rachel is a childrens author and in 2023 she read one of her books to children at Findon Primary School. This book was called "Aunty Planty and the Eco-Warriors"

A book that is fun to read and teaches children about the environment. This was well received by the youngsters.

Rachel's father is Lawrence May a Findon boy and his father, Ernie May, was the village postman for many years. He was involved in the building of the Village Hall and took part in lots of Findon activities including being the striker for the village football team. He delivered mail on a Post Office bicycle and his route often included Tolmare Farm, Muntham Court, Park Farm, Nepcote and Maxwell Cottages. Some distance to cycle !

When at the school, Rachel was delighted to be shown the school register for 1952 which included Lawrence, her father.

Rachels publishers have now released her latest book titled "Aunty Planty and the eco-warriors Great Litter Pick" This continues with an environmental theme for young children. It is now available from Amazon at £7.99 and would make a great stocking filler, her first book is also available from Amazon and Waterstones Rustington.

Paws Animal Sanctuary

Lots of phone calls from pet owners planning to go away for Christmas asking can I look after their animals? In the past when I had a lot more volunteers I would usually agree. Now we have cold miserable mornings with volunteers who have loyally worked here for years and years. We are all finding the hard work taking its toll. We all have aches and pains, bad backs, some have even been forced to retire or can no longer drive. Many of our young volunteers from Plumpton or Brinsbury Colleges who during the week come to do work experience one day a week leave at the end of term to find work or go to universities. We still have such busy days with lots of animals. It is hard work cleaning out the hutches, pens, cages, stables every morning, grooming and feeding the animals. Lifting sacks of cat litter, animal food, bales of hay, and vegetables.

We are lucky to be working mainly inside and only the horse /donkey and poultry are outside. In the evenings we start to put the animals to bed earlier when the clocks go back because it is

dark by 4.30pm. We have volunteers who have a problem finding somewhere to park here in the evenings. The chickens put themselves to bed as soon as it gets dark.

If anyone needs an Animal Ambulance for any reason (not everyone has a car), you can get help from a service in Findon Village called Pets2Vets. Telephone Karen 01903 933155 or Telephone 07368 199 038 available 7 days a week. Reasonable cost £15 flat rate, 55p per mile. Keep the number in case of an emergency.

Wishing everyone a lovely enjoyable time this Christmas and a peaceful time for your pets.

from Stacey.

This is a photo of all the ringers who rang on Remembrance Sunday.

It is the first time in many years that we have had a Remembrance Service with all Findon ringers ringing, without help from other towers required.

200 Club Autumn Social and Grand Draw

What a fun evening we had at the 200 Club Autumn Social and Grand Draw, when more than 70 members filled the Village Hall on Saturday 15th November.

A challenging quiz was delivered by Steve Sharp and together with Card Bingo and the Raffle, the 200 Club also held its Autumn Grand Draw.

Many congratulations to the winners:
£500 - Charlotte Green - ball number 56
£200 - Bob Goodrum - ball number 92
£100 - Bob Hewitt - ball number 199
£50 - Vicky Riches - ball number 7
£25 - Joan Francis - ball number 116
£25 - Bill Warrick - ball number 91
On the night voucher - Monica Eastabrook - ball number 11

A huge thank you to the following businesses who very kindly donated

vouchers for the raffle: Fontwell Park, Sylvan Oak, The Black Horse, Peckhams Butchers and Findon Village Hall Film Club.

Thanks also to the Village Hall Events team who worked incredibly hard throughout the night serving drinks and food.

And a final thank you to all our wonderful 200 Club members whose enthusiasm made the evening a roaring success in raising money towards the upkeep of Findon Village Hall. The Club's fundraising activities for the previous year organised by Alan Wadhams resulted in a healthy cheque for £2,500 being presented to the Village Hall trustees.
