

Findon Parish Council Meeting 22 June 2026

Report from Cllr Dean

Community Infrastructure Levy (CIL) Update – Interpretation Boards (Final Decision + Approvals)

- **Final panel designs have been approved by SDNPA** — only very minor changes were requested and these have now been completed.
- We will proceed with **two combined plinth units** (interpretation board + noticeboard).
- **Pond Green** will have the **larger noticeboard area**; **Nepcote Green** will have the same combined design for consistency.
- **Design and printing costs:**
 - Design fee (Connect Media): **£320**
 - Printing of two panels: **£370**
- **Manufacture (Acorn):**
 - Total for two combined plinths: **£2,410** (excl. VAT)
- **Cllr Smith has confirmed:**
 - Support for the combined unit at Pond Green
 - Support for replacing the Nepcote Green noticeboard with the same design
 - Confirmation that CIL funding can be used
- Total remains **within the £2,575 CIL award**.
- Six-week manufacturing lead time.
- **Volunteers confirmed** to install both units, keeping the project within budget.
