- **Outcome not expected until Autumn.**

- Other Grants – Not applicable

**Decision required**

**1. Wait until Autumn**

- Pros: No upfront spend; avoids risk if grant is unsuccessful.
- Cons: Goal remains damaged all summer; youth project momentum stalls.

**2. Proceed now using FPC funds**

- Pros: Goal replaced for summer; strong community benefit; shows support for youth-led project.
- Cons: If SDNP CIL is unsuccessful, FPC absorbs full cost.
