

## **Grant Application Policy**

Findon Parish Council is keen to support local organisations that provide a benefit to the parish or its residents i.e. to support charitable or voluntary activities. A grant is any payment or gift made by the Parish Council to an organisation for a specific purpose. All grants given must directly benefit some or all of the parish or its inhabitants and the benefit must be commensurate with expenditure.

Applicants do not have to be a registered charity, as long as the body has charitable aim, a constitution (set of rules) and a management committee. If the organisation has its own bank account it must have at least two signatories to authorise cheques.

Grants are awarded at the Parish Council's discretion to organisations which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:-

- Providing a service;
- Enhancing the quality of life;
- Improving the environment and promoting the Parish in a positive way.

The Parish Council will NOT award grants to:-

- Individuals;
- Commercial organisations;
- Statutory organisations or the direct replacement of statutory funding ;
- Upward funders - i.e. local groups where funds are redistributed by them or a central body;
- Activities promoting political beliefs;
- Activities promoting religious organisations - unless for a purpose which does not discriminate on grounds of belief.

This list is not exclusive and may be added to at the Parish Council's discretion.

### **Application procedure:**

- Only one application for a grant will be considered from any organisation in any one financial year;
- All applications are judged on their own merits each year. Ongoing commitments to award grants in future years cannot be made;
- Grantees who received grants in preceding years cannot guarantee future applications will also be successful;
- Grants will not be made retrospectively;
- Organisations requesting financial assistance are required to submit an application on the prescribed form by 1 June in the year of their funding requirement. Applications must be accompanied by a copy of the organisations accounts from the last year end.
