### Welcome

We are pleased to welcome, to the Findon News Team, two new members volunteering their services. Sally Evans will be joining Monica Easterbrook and Hilary Langford, editing the magazine and Alan Holmes is taking over advertising matters and finance. We are very pleased to welcome them both.

Sally is well known to those who are part of the Findon Village Gardens Association, as she is also the Show Secretary. She is therefore busy at present preparing for the Summer Flower Show on 3rd August (see pg 9). Alan is the treasurer for the Village Shop so he is also very busy.

We are greatly in the debt of Nick and Meg Gore, without whom there would be no Findon News. When they took it on they introduced the present format,

and ran it for many years on their own. It was not unknown for Nick needing to take his computer on holiday with him. Monica and Hilary joined them a few years ago.

We intend to continue to work to the high standards established by Nick and Meg and plan that it should continue to provide the news in Findon. Thank you Nick and Meg for all your hard work.

If you have news of interest to the village and would like to write a short article for inclusion, please send it to the above email address or post a copy in the Findon News Box in the village shop.

## From the Rectory

Well, by the time you read this, the schools will have broken up and, surprise, surprise, the weather has changed! To the wire' as usual, I'm writing on the day copy is due in to the Editor and the heat wave we've been enjoying (or less so if you're a keen gardener) has broken. More heat and sun due next week apparently.

Changes can be good or bad, depending on our viewpoint at the time! As I write, we all recall today's 50th anniversary of the moon landing – a historic moment for humankind as well as for those first astronauts. My abiding memory is of awe at the sight of our planet earth, seen from space for the first time, an awe that has grown rather than diminished over this half century as technology has advanced and images become clearer. The vulnerability of our little blue planet is ever clearer, and we all have a responsibility to do our best to reduce our exploitation of creation, reversing the changes that seem to be escalating each year.

August is a month of changes; one academic year ended, and for many, the wait for exam results before further changes. Children enjoy the break before a new challenge in a different class, or for some the transition to a new phase of education – 'big school', secondary, college or university. More changes – perhaps leaving home for the first time, or starting a new job.

Change can be exciting, yet scary at the same time!

Christian teaching reassures us that although we face changes all through our lives, the love of Jesus is unchanging, always there to support, encourage and strengthen us. Many of our hymns have helpful lines or verses echoing this sentiment; 'Through all the changing scenes of life, in trouble and in joy the praises of my God shall still my heart and tongue employ' for example, or the 3rd verse of 'Immortal, invisible' while acknowledging changes as we go through life, ends with the words, 'but naught changeth thee'. My hope for the young people leaving our Village Schools is that the Christian values they have learnt in their time there will sustain and encourage them as they grow and move on through life, confident that they are loved, confident in their own abilities, well prepared for the changes they will meet as they go.

Every blessing, Helena

## Nightingales

A bad experience occurred to those living at Nightingales on Friday, 19th July when the ceilings in some of their homes were brought down due to water damage caused, it is thought, by leaking pipes in the roof.

The residents were evacuated and temporarily rehomed whilst Arun District Council, set about effecting repairs.

Not all the properties were equally damaged and some of the residents have been able to return home, whilst, at the time of writing, others are still awaiting for the repairs to be completed so that they too can move back.

Hopefully their discomfort and inconvenience will be over by the time Findon News is printed.

## Messy Church

Our last Messy Church before the summer holidays was on Tuesday 2nd July on a

lovely hot summer afternoon. There were the usual wide choice of craft activities based, on this occasion, on the story of Jesus feeding the five thousand. We played, flapping paper fish with a newspaper into a goal, decorated fish with an assortment of coloured papers, then laminated and fish shapes cut out. We added magnets and made fishing rods. In the garden we hid cut out loaves and fishes and the children made baskets from cleverly folded and decorated envelopes. They then found their loaves and a fish in the garden to fill them. They also made small loaves and fruit kebabs to eat later.

## Hilary Langford

It was such a lovely day and we especially enjoyed the planned picnic in the Village Hall garden with a marvellous selection of sandwiches, cakes, fruit and the loaves and kebabs prepared earlier. Also during craft time, a table of card making was quietly organised to make thank you cards to present to our wonderful cooks, which three of our children presented along with colourful pot plants. Our very grateful thanks to Sue, Kathy and Rita for all their cooking throughout the year.

Messy Church is usually on the first Tuesday of the month but there will be no session in August or September so our next session will be on Tuesday, 7th October. We hope to see you then.

**All children and their grown ups  
welcome**

## Findon Village Store News - Volunteers Still Needed

We are so lucky to have an army of willing and dedicated volunteers. One of our volunteers, Maggie Martin, is a very talented baker but is also an accomplished artist. We now stock a range of her beautiful botanical cards in the shop.

Maggie very kindly shared her story with me....

I have always loved art and watercolour painting in particular but did not specialise until I discovered the joy of Botanical Art about 6 years ago. I graduated from the Open University many years ago with a BA (Hons) but this degree was not specialised. I did several residential courses with various tutors and then discovered the Diploma Course run by the prestigious Society of Botanical Artists. I really wanted to apply but thought I would not be accepted as the entry standard was very high! However, with encouragement

from my husband John and my very dear artist friend Sue, I applied and was amazed to be accepted.

The hard work really began then, but the results were worthwhile and I graduated with a Higher Pass in 2016. Since then I have attended several residential courses, mainly in Wales and Scotland and my love of all things botanical just continues to grow.

Maggie will be having a stall at the Gardens Association Summer Show in August where she will be displaying a selection of prints and cards. The cards are all taken from original watercolours, mainly from plants and trees in the village. Maggie is also delighted to have been commissioned by villagers to undertake paintings for them.

Jo O'Dell  
committee member/volunteer.

# Findon Village Gardens Association

Summer Flower Show - Village Hall  
Saturday, 3rd August, 2pm

We are half way through the year already and the Garden Association's summer show is approaching fast. The show starts at 2.00pm, when members will be checking to see how successful they have been with their various exhibits. Our multi-talented members have plenty of categories to choose from, with classes for flowers, vegetables, flower arranging, handicrafts, cookery and photography.

There will be stalls for plants, cakes, books, raffle and tombola, together with Men in Sheds; ice-cream; second-hand tools and bric-a-brac. British Bonsai are also coming along, as is Maggie Martin, who will be selling some of her beautiful botanical art and cards. Finally, you can take a seat for refreshments in the form of tea or coffee and delicious home-made cake.

So do join us at the Village Hall from 2.00pm. Entry is free, but donations are, of course, very welcome.

**2THE SQ**  
By Adam Collard Antiques & Interiors

There were many clumps of sempervivums (houseleeks) in this garden when we came, which I love. However they were all in the way of different planting schemes and I had no idea what I wanted to do with them. So I placed these succulent rosettes on a 4" strip of gravel along the outside wall of the conservatory. They had a bit of soil on their roots and now and again if the hosepipe was out and I remembered them I gave them a little spray of water. Now, they are incredible, a real feature. Some are as big as side plates with dark outlines to every fleshy segment and sharp pointed tips. They have numerous babies attached and alien looking seed heads. No need to find them a new home. They are already in it.

The pond is my husband's 'baby' and he dug the hole himself in November 2017. That winter, we had so much rain that the pond filled up entirely with rain water to the very top. I thought this was good but the water level was out by an inch or two so he emptied it again, took away the pond unit, re-dug the soil underneath and installed it again. Now it is nearly level and doing very well. It is amazing where all the wildlife has come from with three frogs; one large, one medium and one tiny, dragon flies; water boatmen; newts and water snails etc. It is so wonderful to watch the dragon flies hatch. If they are in the wrong position so their wings cannot open properly, he gently moves them to a better spot. It is not quite the same as having a cat but he loves the involvement.

Years ago my daughter and I bought a geranium (cranesbill) called Jolly Bee. We fell in love with its cheerful open flowers of sky-blue with a white centre, fading to lavender with dark red veins. It flowered endlessly and spread out far and wide. When we went to buy another one it was unavailable. There was a similar one called Rozanne which in 2013 won the award for Plant of the Centenary. It transpires that there was a 7 year court battle between two plant growers because these 2 plants had the same DNA. Blooms of Bressingham won the day and Jolly Bee by Marco Van Noort was taken off the market.

It is sad that I do not have Jolly Bee anymore and my 2 new plants in this garden are both Rozanne, one in the ground and one in a 12" tub. They start in mid-June and continue until the frosts, with a cut back half way through. They do not creep along as other geraniums and are easy to divide if necessary. However I have learned through experience that they need a good 4 feet to spread so now I under plant with spring bulbs and primroses etc; plants that quite like a bit of respite from the hot summer sun. This way they are not smothering my choice summer plants. I feel sure that Jolly Bee was different. Firstly, it did not start until July and I believe it had a lower head. Never mind, my daughter and I will always refer to it as Jolly Bee.

## Update - Tractor/Trailer Rides new for 2019

Over the Downs from the Small car park  
near the top of Nepcote Green.

During the last two Wednesday's in July, the Open Spaces team, with a few volunteers from the Sheep Fair Committee, have been cutting back the bridleway from the Gallops down to the small car park for the tractor to get through.

David Dunkin has very kindly agreed to do a commentary on the rides explaining about the local area.

The first ride will be at approx 10-30 ish.

Please note you will not be able to park in the little car park on the day of the sheep fair.

Please will dog owners put their dog poo in the bins provided as during the cutting back the team found they were constantly stepping in the dog poo that owners had left in the bushes.

### We still need more volunteers for the Sheep Fair

## Parish Youth Club

Another fantastic year of Youth Club has flown by! We've enjoyed a variety of indoor and outdoor activities through the year, with football as the preferred option much of the time, weather permitting! The dimensions of the Rectory garden mean ball skills have to be honed to fine accuracy or the game is quickly over, with the ball lost over a fence! Most of the year we have seen just boys attending (*but this has changed in the latter part of the year*) but they have gelled into a close friendship group, working together in groups to build a spaghetti tower in the winter, then demonstrating the same skills on a larger scale later on to make a bamboo shelter in the garden. Playing card or board games when the evenings draw in offer a great opportunity for informal chat, using voices rather than tablets and mobiles! Cooking is also popular, making cheese straws or pizza a firm favourite.

Together with All Saint's Findon Valley, we've formed a group called 'Viva' (Village and Valley!) with an additional monthly session in the Valley, taking a group to Mini May Camp in Burgess Hill in November, where the fun and excitement encouraged a larger group to attend the Diocesan Camp at Plumpton in May. Three nights under canvas, with everyone taking a turn helping with meals deepened our relationships and the young people thoroughly enjoyed the activities, group sessions and football tournament (for the first year we had enough young people to form our own team – well done 'Flying Salmon!'). Sharing worship in the big marquee with a live band and

## Helena Buqué

several hundred young people is amazing!

it was fantastic to have three of our young people helping to lead the music at one of our Worship and Praise Services, Norton and Caedan on guitar and Alex on drums; all have come through the Youth Club, and the drum kit has been a popular, if noisy, addition, to activities on offer here on a Thursday.

Numbers through the year have been boosted recently with the Year 6 pupils preparing to go up to Secondary School joining us, and it is great to have a mix of girls and boys again! Meeting during term time on a Thursday 5-6.30 means that as our Village youngsters go on to a variety of Secondary Schools, they can still keep up the friendships made at the Village School too. Everyone in Year 7+ is welcome (why not bring a new friend?)

## First Sunday of the Month Service

Our music led services, on the first Sunday of the month, have proved popular. In July, *(and for the following three months)*, the service time was changed to 5.00pm to celebrate the warm, balmy, early evenings (we hope) and celebrate with Hymns and Pimms. Our singing, led by the music group Canticle who drew and coaxed us into giving our all, was rousing and tuneful. A truly lovely service.

Afterwards there was the promised Pimms plus coffee for those who wanted it. Our thanks to all who were

involved in the preparation and clearing up

## Findon Planning Applications

Planning applications for Findon are under the authority of South Downs National Park and listed on the SDNPA website ([www.southdowns.gov.uk](http://www.southdowns.gov.uk)).

Findon Parish Council (FPC) Planning Committee meetings are scheduled monthly to consult on planning applications received from the South Downs National Park Authority (SDNPA). Parish Consultation Letters (PCL) received from the SDNPA are displayed on the Notice Boards outside the newsagents and the Village Hall, and published on the FPC website (<http://findon.arun.gov.uk>) along with the schedule of Committee meeting Dates.

Please note that due to Findon News publication deadlines, some applications may have already been placed before the Committee. Residents should check the

Notice Boards and FPC website regularly to view notices and meeting details.

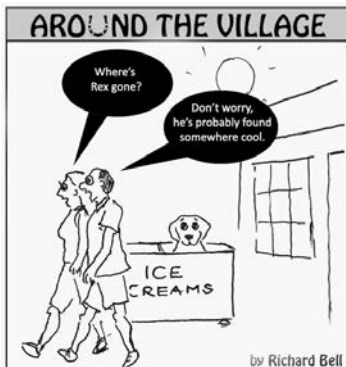

Any enquiries should be address to the FPC Clerk - 01903 877225.

Since the last issue of Findon News, the following Planning Applications have been posted on the SDNPA website:

**Hybrid application comprising: (1) Full planning application for the replacement of an existing dwelling, haybarn, erection of new stable yard with ancillary groom's accommodation, a new unit of holiday accommodation and relocation and enlargement of existing manege (2) Outline planning application for the redevelopment of the existing stable yard with 2 no. dwellings and garages**

The value of your investments can go down as well as up, so you could get less back than you invested.

Every single Guinea-pig cage is full, all our Cat pens too. This week Sheila is in hospital recovering after having a new hip, and many of the Volunteers are on holiday. So I decided to get up earlier each day because there is so much to do. Lots of new arrivals a baby seagull, baby pigeon, hedgehog, to feed and find cages for. A 15yr old tabby cat who is traumatised after losing his home, after a marriage break, up is meowing all the time wanting attention. A Parrot we were asked to take care is copying the cat and also entertaining us with the sound of a smoke alarm, a microwave and very clear long conversations. And now, also meowing all the time.

One of the Tortoises laid an egg this morning. One of the visitors told me not to remove it because the Tortoise will need to sit on it and hatch it out. I said "I don't think so, they are two girls". I delivered a Cockatiel to a new home yesterday where they had a lonely Cockatiel (who's companion had died). While I was there they showed me their rescued dog, a Border Collie, and let him out to run in their field, he went hurtling

down the field into the distance she said to chase the foxes I was quite concerned he might go into the bushes and catch one and hurt it. She said "You wait", suddenly the dog came flying out of the bushes racing back with two young foxes chasing it! A new cat arrived that had lived in a block of flats and fallen from a balcony. Its tail was broken and most of it had been removed. I jokingly put a sign on her pen, Rare Findon Manx Cat, She quickly got a new home.

The only drawback about getting up too early means you get tired much earlier. By the time all the hens, and other animals are put safely away for the night it's time to feed the dogs and I can't wait to get to bed.

## Findon Village WI

Lots to report this month!

The Weary Walkers followed the Ferring Village Nature Walk. Lesley was our knowledgeable guide as we explored Ferring, including an enjoyable stop at the Bluebird Café for refreshments, and finishing with a treasure hunt in the Ferring charity shops. Lots of bargain buys!

Sassy is leading our next walk ' Pier to Perch ' on Friday 9th August.

## Paddy Winter - President

Our July meeting was a talk about Chinese freshwater pearls. Barbara Bartlett told us about her fascinating life in Hong Kong and how she became interested in these amazing, colourful pearls which are cultivated in giant clams. Barbara brought along a selection of beautiful pearl jewellery, all hand made, and some of our ladies couldn't resist treating themselves to something special.

The very next day some of our members joined WI members from other local groups for a cream tea at The Fox to celebrate 100 years of the West Sussex Federation.

Il have just returned from our coffee morning at Dee Dee's. Thank you to Dee Dee for a warm welcome, very good coffee and delicious homemade cake.

Our next event is a ticketed event, our own Centenary afternoon tea. The next coffee morning at Dee Dee's is Tuesday 6th August from 10.30 – all welcome.

On Thursday 12th September, 7.30 pm at the Village Hall, we're having a Beetle Drive which is a popular, fun evening – visitors very welcome.

Looking forward to seeing you soon.

## Report from Findon Downs WI

Jill Schiller & Evelyn Stanford

At our July meeting we welcomed Mr Bob Wragg who gave a talk on "Miscarriage of Justice". He explained that he joined the Met Police in 1961 and after 3 years in uniform became a detective with the CID, in South London. After talking about various cases, he spoke about a murder case which happened in Woolwich. The murder victim was 25yrs old and her husband was already in prison. When questioned he named a person who had been pestering his wife. This person was arrested and his clothing examined. Mr Wragg pointed out that the scientific data available then was not as sophisticated as it these days, but the blood on the clothing was the same as the victim's. The suspect was found guilty and sentenced. Whilst in prison, after some months, he recalled that he had helped in an accident at work when wearing the clothes that were blood spattered. This led to a second trial which made history, as it was based on evidence not presented at the first trial. At this second trial he was found not guilty. Mr Wragg asked the WI members their thoughts and most of them decided

that he was not guilty but there are questions that needed answering.

Mrs Schiller thanked Bob for a most interesting talk and for giving a book he had written for the raffle.

The competition "A Rose" was jointly won by Christine Cooke and Betty Sieler and Jill Schiller was lucky enough to win the book donated by Bob. We welcomed Olive Williams as a dual member with Findon Village WI and thanks were given to Jacqui Grand for handling our Raffle so brilliantly for many years. As always, delightful posies were created by Jan for the birthday girls .

On the 13th August our President's coffee morning will be held In Pauline Robert's house – 10.30 – 12.30.

Next Meeting - 10th September 2.30pm – 4.30pm – Findon Village Hall  
Speaker - Mr Harry Vinsome  
"Guitarist Singer" 1950s to present  
day.Competition - A poem "Why"

Visitors are most welcome – join us for a cup of tea and a chat

### Drivers Targeted With Fake Fines **What you need to know**

Action Fraud have received an increase in reports and intelligence where elderly victims are being targeted by individuals purporting to be police officers or traffic wardens. The victims are being approached whilst parked in a car park and are told by the suspect that they have parked illegally or broken a speed limit and a photo has been taken of their car for 'evidence'.

Victims are advised that they will face a substantial penalty fine unless they pay a smaller upfront fee immediately. Victims, who opt for paying the smaller penalty, will be directed to a parking meter and asked to enter their card and PIN. These parking meters have been tampered with by the suspect in order to retain the card.

Once the victim inserts their card and are asked for their PIN, the victims are shoulder surfed for their PIN by the suspect. Once victims input their PIN, the card is retained by the machine and victims are told by the suspect to seek help from the company who operates the parking meter or their bank.

### **What you need to do**

If you are suspicious about the authenticity of the fine, do not pay it until you have verified it with your local council.

Always shield your PIN from view when using an ATM machine, and never share your PIN with anyone.

If your bank card is retained by an ATM machine, contact your bank immediately to inform them.
